The work is very near completion
Unexpected issues arose increasing
the initial cost

ie. removing all the plaster from the
internal walls and replastering also
building up the external side walls
to accomodate the roofing spans
plus some other works.

The £500 from the Turbine Fund last
year 2016. was spent towards the
Roof repairs-replacement.

We are hoping to have an open day
on Sunday July 9th. which we hope
you would be able to attend.
